New Dentist at Brucegate Dental Practice

We would like to welcome Dr Karen McKeever to the practice.

Karen graduated from Newcastle in 1999, where she also received her postgraduate Diploma in Health Services Research, and MFGDP. She has extensive experience within NHS, private and Denplan practices, and is committed to providing the highest quality dentistry. Her patient centred care means she has a loyal patient base and regularly receives extremely positive feedback from her current patient list.

She has an interest in facial aesthetics and endodontics, and

Dr Karen McKeever, BDS(Newc)
PGDip MFGCP UK GDC 76453

regularly undertakes post graduate study. She is also a member of the Royal College of Surgeons.

Karen lives near Newcastle with her family and in her spare time enjoys cooking and golf.

Northumberland Employer of the Year and Apprentice of the Year Nominations

The Brucegate Team at Linden Hall in Morpeth at the Northumberland Business Awards 2015. We were nominated for 2 awards, Employer of The Year and Liann Smith for Apprentice of the Year. Sadly no trophies this year, but an honour to be nominated.

CATHERINE HASTIE

HEALTH & BEAUTY

We are pleased to welcome Catherine Hastie Health and Beauty as the resident skin therapist at Brucegate Dental Practice.

Having originally qualified from Newcastle College with a Level 3 Beauty Therapy Qualification, Catherine has undergone further training in advanced waxing, massage and skin care with the International Institute for Anti-aging (IIAA).

She now specialises in permanent hair removal and the treatment of minor skin imperfections and is currently working towards accreditation from the British Institute and Association of Electrolysis (BIAE).

To see a full list of treatments please either collect a leaflet from reception or contact Catherine directly on 07715536956.

BDA Good Practice Award

In April 2015 we were awarded the British Dental Associations Good Practice Award. Only a handful of practices are chosen to receive this award which confirms the practice's commitment to the highest standards of treatment, customer care and governance.

Tanya qualifying as Dental Nurse

After 18 months of hard work, travel to Newcastle, hours of coursework and 4 exams Tanya has earned her qualification in Dental nursing. Well done.

FREE childrens dentistry for Denplan patients

Denplan is a monthly payment scheme to give patients the option of paying for private dental treatment with set monthly direct debits. It means that you can receive high quality care without the worry of unexpected costs.

If 2 members of the family are on Denplan we now offer FREE private dental care for children in that family up to their 14th birthday.

This will include checks ups, x rays, preventative advice, fluoride applications, and any fissure sealants or fillings required.

Monthly prices for 2016

A- 14.86, B-£19.96, C-£24.89, D-33.72, E-£40.43

Denplan

WE ARE CURRENTLY TAKING ON NEW PATIENTS

For an initial consultation ring
01289 306084

A new patient examination costs £72, which includes a full mouth examination of teeth and gums, an oral cancer check, and any x rays you may require. Routine examinations after this are £34.
